

April 15, 2009

Dear Parents:

We can hardly believe it, but it is once again time to begin the re-enrollment and registration process for next year. Days and weeks go by so quickly and we would like to finalize plans for the next school year as soon as possible.

To expedite the registration process and make it convenient for everyone's schedules, we will be having open registration April 27th - April 30th. Please complete the following forms:

- Returning Student Application (\$50.00 Fee Due & Payable at Registration)
- Standards of Conduct Agreement (6th - 12th Grades)
- Medical Authorization Form
- Photo Release Form

Then stop by the elementary office during school hours on the above dates to complete the registration process. All financial commitments from previous year(s) must be satisfied or arrangements made before re-enrollment.

It will be necessary for all parents and guardians to participate in registration in order to update information in students' records, distribute information for next year, and calculate tuition and fees. If it will be impossible for you to attend registration on any of the above dates, you must contact Pat Stockhaus to set up an appointment to register your child at a different time. Keep in mind, if you are not registered by May 2nd, there is a \$100.00 late registration fee. Should you have any questions about the registration documents, please feel free to call Pat at Ext. 139.

In His Service,

Bill Rowley
Administration

STANDARDS OF CONDUCT AGREEMENT

(Grades 6 – 12)

Christian Fellowship School holds that the Bible is the infallible, divine Word of God and that salvation by faith in Christ is the initial step in the Christian life. There is adequate Biblical basis for the idea of spiritual growth into the image of Christ (Romans 8:29), which is the work of the Holy Spirit (2 Corinthians 3:18). This growth begins with the initial act of saving faith and continues throughout life. The Holy Spirit makes the Christian conscious of the Biblical demands for a holy life, which fulfills both God's moral law and high law of love (Romans 13:8-10, Galatians 5:14). The result is a life consecrated unto God and separated from the world.

Christian Fellowship School must, therefore, provide an environment conducive to the spiritual growth and development of young people who are not yet mature Christians. A standard of conduct based on the following Biblical imperatives is necessary to provide such an environment. All of the activities of the Christian must be subordinated to the glory of God who dwells in us (1 Corinthians 8:9, 12-13, 10:32). The Christian will endeavor to avoid practices which cause the loss of sensitivity to the spiritual needs of the world and loss of the Christian's physical, mental or spiritual well-being (1 Corinthians 9:27).

A sense of the need for spiritual growth in the light of these principles has led Christian Fellowship School to adopt the following standards which it is believed are conducive to the environment that will best promote the spiritual welfare of the student. The school, therefore, requires each student, whether at home, school or elsewhere ---

1) to refrain from swearing, indecent language, smoking, drinking alcoholic beverages, the abuse of drugs, gambling and involvement in music that promotes non-Christian values.

2) to maintain Christian standards in courtesy, kindness, morality and honesty.

The selection of the restrictions mentioned in this pledge may appear arbitrary to some; but while not condemning others who see differently, Christian Fellowship School believes that the restrictions named are outstanding types of conduct which are detrimental to the standards established as its objective.

Students are expected to abide by these standards throughout their enrollment whether at home, school or elsewhere. Students found to be out of harmony with the Christian Fellowship School ideals of work and life may be required to withdraw whenever the general welfare demands it, even though there may be no special breach of conduct.

In this atmosphere of definite and positive Christian standards of conduct, good scholastic planning, and genuine personal interest between faculty and student, there is fine opportunity for development of strong Christian character.

I have read the standards of conduct for the Junior and Senior High, and while enrolled in Christian Fellowship School, agree to cooperate with these standards to the fullest extent.
