Purpose

The purpose of Christian Fellowship School shall be to give parents an opportunity to provide their children with a quality, Bible-based education in a Christ-centered environment. The school's mission is to aid parents in fulfilling their responsibilities to raise their children in the nurture and admonition of the Lord by instilling in each student a desire to know and serve God, enabling the student to know God's will for his/her life, and equipping the student with the skills necessary to do God's will, becoming a Christian leader and model in all areas of life.

Statement of Faith

The following truths are held in common agreement by the administration and staff of Christian Fellowship Church:

1. We believe the Bible is the inspired, infallible, authoritative Word of God; a revelation from God to men; the rule of faith and conduct; superior but not contrary to conscience and reason.
2. We believe that there is one God, eternally co-existent in three persons: Father, Son and Holy Spirit.
3. We believe in the Deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His future personal return in power and glory.
4. We believe that for the salvation of lost and sinful people, regeneration by the Holy Spirit is absolutely essential.
5. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.
6. We believe in the resurrection of both the saved and the lost; those who are saved unto the resurrection of life and those who are lost unto the resurrection of damnation.
7. We believe in the spiritual unity of believers in our Lord Jesus Christ.

Mission Statement

The mission of Christian Fellowship School is to equip a generation to impact the world.

Motto

"Setting a Standard of Excellence"

Core Values

1. The foundation and substance of our education is the truth of God's Word revealed in the Bible.
2. The result of Christian education is to produce students who have a Christian worldview, who evidence a servant's heart for others, and who are prepared to fulfill their destiny as individuals in the body of Christ for the advancement of the kingdom of God.

3. Parents have the primary responsibility for the Godly training of their children, and the Christian school's role is to partner with them and their local church to help them fulfill that task.
4. The faculty and staff will serve as role models for the students by exemplifying Christ-like character.
5. Excellence is the standard for all areas of school life achieved through a rigorous, developmentally appropriate program for all our students that incorporates the best practices in educational theory and methodology consistent with Christian values.

Goals

Christian Fellowship School exists to serve the Christian home. The school assists parents in the task of raising their children in the training and instruction of the Lord by offering a quality education that is Bible-based, Christ-centered, Holy Spirit controlled, individually applied, and society related. Christian Fellowship School is non-denominational in its approach and seeks to provide these opportunities for all evangelical families by emphasizing unity in diversity in the Christian life and experience without compromise to the principles of the Word of God.
