

Welcome to Christian Fellowship K4 Preschool!

Thank you for your interest in C.F.S. K4 Preschool! God has truly blessed our school and we love laying a Biblical foundation and "Equipping a Generation to Impact the World". Our preschool is definitely a learning experience through both play as well as structured academics. Not only do preschoolers become comfortable with a classroom setting and working alongside and with other children, but they will also learn academics and other developmental skills (gross/fine motor, social/emotional, self-help, and cognitive).

Using the ABeka Curriculum, preschoolers will learn the basics—phonics, reading, numbers, writing, etc.—plus many additional things such as Bible, music, art, library, history, science, and social studies. We also have special projects and units of study such as the ocean, farms, community helpers, and many others.

You may choose to send your student half-day (dismissed at 11:00) or all-day (dismissed at 3:20). You may also choose 3 days (M-W) or 4 days (M-Th) per week. We believe this flexibility will better serve the needs of different family situations.

I am very excited about our program, and I hope your family will join in on our adventure. If you have any questions, please feel free to contact me at the school at 270-527-8377 ext. 133 or email me as well at: kbathon@cfsky.us.

I look forward to seeing you soon!

Kelli Bathon
