## PARENT TEACHER FELLOWSHIP NEWSLETTER

### WELCOME TO 2012-2013 SCHOOL YEAR!

We would like to take this opportunity to welcome each of the parents and teachers to CFS 2012-2013 school year!

May the Lord guide you and all of our students this year down paths that give Him the Glory! We will be praying for each of you throughout the year and some more specifically during special events and activities.

This is our first PTF Newsletter. We would like to use this newsletter as a great device to share what we as PTF (Parent-Teacher Fellowship) would like to do throughout the school year.

Our first meeting for PTF will be held on **Thursday, August 30th**, right after drop off in the morning. We will be meeting in the foyer of the church. **Please come join us** as we discuss the ideas for the year and several activities that will be starting right away. Having many to participate will be a great blessing, not only to PTF, but also to our school and students as well. **Many volunteers are needed during the first couple of months to help with Fall Festival, Auction and Christmas Market!**

We are currently completing the list of Room Parents for each class. Some are the same as the previous years and will be helpful in completing normal tasks and others will be new to the position. We pray that each one will be blessed, while they serve CFS in this capacity, and for their class and the staff that they will bless this year.

### SPECIAL CORNER: ROOM PARENT

What does a room parent do?

A room parent is there to help serve the teacher and class during special events and activities.

It is very helpful to the teacher and the class to have one parent that can be kept in the loop

regarding class activities and parties. That parent can then get volunteers and items needed to prepare for the teacher as needed. As Room Parent, we bless our staff on holidays and birthdays, plus throughout the year at special times. It is helpful for the room-mom to

include all of the parents of the class, as to not feel so overwhelmed.

All ideas for the year are needed to create a fresh new year feeling for all staff. We want to be a blessing to the staff as they are serving and blessing our children!

## SUMMER IS ENDING...

As summer comes to an end and the new school year begins, let's all take time to reflect the blessings from the Lord.

What did your family do this summer that will leave lasting memories? Maybe your family had a great adventure or mission trip, or a small picnic at the park. Maybe you and your child(ren) went to see an amazing movie or a special loved one that is very lonely.

Whatever the Lord has allowed you to do this past summer, may you count your blessings for the big and the little. Time continues on and doesn't stand still, even though one day we will look back to reminisce. Will it be good memories to cherish?

There are situations in our timeline of life that is not always how we plan or what we prefer,

but may we always find the Lord with us during each event. May we always know and share with our family the knowledge that during these special and "not so special" times, that the Lord of creation is with us and cares about us.

If you know the Lord as your personal Savior and have that great news in your heart, may you share it with someone around you! Not everyone we meet will have that knowledge and comfort during their good and bad times.

Be a blessing to someone this year and let there be memories to cherish for those involved at CFS during 2012-2013!

Thank you for all that you do and will do this year! God bless each and every family and staff at CFS!
