Statement of Faith

The following truths are held in common agreement by the administration and staff of Christian Fellowship Church:

1. We believe the Bible is the inspired, infallible, authoritative Word of God; a revelation from God to men; the rule of faith and conduct; superior but not contrary to conscience and reason.
2. We believe that there is one God, eternally co-existent in three persons: Father, Son and Holy Spirit.
3. We believe in the Deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His future personal return in power and glory.
4. We believe that for the salvation of lost and sinful people, regeneration by the Holy Spirit is absolutely essential.
5. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.
6. We believe in the resurrection of both the saved and the lost; those who are saved unto the resurrection of life and those who are lost unto the resurrection of damnation.
7. We believe in the spiritual unity of believers in our Lord Jesus Christ.

Philosophy of Christian Education

Christian Fellowship School exists to assist parents in fulfilling their divine responsibilities to give their children a quality, Christ-centered education (Prov. 22:6; Eph. 6:4). As a distinctly Christian institution of learning, Christian Fellowship School approaches education from a theistic rather than a humanistic standpoint. In a day of vacillation and conflict between opposing values and ideals, we unreservedly acknowledge the ultimate authority of God as He reveals Himself through the inerrant Holy Scriptures (Heb. 1:1-2) and the coordinate work of the Holy Spirit in the believer (1 Cor. 2:12-13). Our educational philosophy, therefore, is based on a God-centered view of truth and man as presented in the Bible.

Since truth is absolute and has been revealed by God unto man through His Word (John 17:17), that truth, as revealed, takes priority over man's reason. Christ is the source of all truth (John 14:6); therefore, truth cannot be fully learned apart from the Word of God and Jesus Christ (Col. 1:17). Every subject, whether scientific, historical, mathematical, literary, or artistic, must be taught from a Biblical perspective and with the consciousness that Jesus Christ is central to all living and learning.

Since God created and sustains all things through His Son, Jesus Christ, the universe and all life are dynamically related to God and have the purpose of glorifying Him (Rev. 4:11). This is especially true of man, who was made in the image of God, different in kind from all other creation (Gen. 1:26), with the unique capacity to know and respond to God personally and voluntarily. Because man is a sinner by nature and choice, however, he cannot, in this condition, know or honor God in his life (Rom. 3:23). He can do so only by being born again through receiving Christ as Savior and Lord (John 3:3; Rom. 10:9-10) and thus being enabled to do God's will, which is the ultimate purpose of life (Heb. 13:20-21).

Since the answer to all contemporary problems of man can be found in and through Jesus Christ, the entire process of education is viewed as a means used by the Holy Spirit to bring the student into fellowship with God, to develop a Christian mind in the student, and to train him in godly living so that he can fulfill God's total purpose for his life personally and vocationally (2 Pet. 1:20-21; 2 Tim. 3:16-17). Truth and character as revealed in the Bible are the cornerstones for this process, Biblical principles becoming the basis by which all experience and convictions are judged (1 John 3:4). The student must be developed as a whole person, spiritually, mentally, physically, and socially (1 Thess. 5:23). He must be educated as an individual endowed by God with unique personality traits and abilities. There must, therefore, be a positive and sustained correlation between the educational process and the student's developmental progress (Luke 2:40, 52; 1 Cor. 13:11). There must be positive interaction between the student and his teachers and parents who themselves are born-again and share this philosophy of life, thus providing the student with sound role models he can look unto as a pattern (Luke 6:40).

The authority for such education comes both from God's command that children be taught to love God and place Him first in their lives and from the fact that parents are ultimately responsible for the total education and training of their children (Deut. 6:5-7). At the parents' request, the Christian school, along with the church, becomes a partner in giving this education.

CFS Policy for Making up Inclement Weather Days

The procedure for making up school days which are missed due to inclement weather (snow, ice, floods, etc.) is that school will be in session on the Friday immediately following the missed day of school. For example, if we have a snow day on Thursday, we will be in session on Friday. If the weather is still bad on Friday, then school will be cancelled by posting the information on News Channel 6, just as it would be for a regular school day. Occasionally, there will be exceptions to this policy. If that occurs, the make-up day will be posted in the newsletter.

School Closings due to Weather

With winter weather in the forecast, and the possibility of school closings, and the postponing and rescheduling of school events, following are some ways for you to stay informed:

- Snow Man 6 – as soon as a school closing is determined to be necessary, CFS will contact News Channel 6 for the posting of the closing.
- News Channel 6 Website – www.wpsdlocal6.com

Snow Man 6 school closings are posted on this website operated by News Channel 6.

You can get an immediate alert by e-mail or on your cell phone by creating an account at wpsdlocal6.com Local 6 Mobile Alert Center.
